## PROFESSIONAL SUMMARY

Results-driven Technical Team Leader with 2+ years of expertise in building scalable, high-performance web applications using React.js and Node.js. Demonstrated success in leading cross-functional teams to achieve 95% client satisfaction while delivering enterprise-grade solutions. Specialized in performance optimization (80% load time reduction), modern JavaScript frameworks, and agile methodologies. Committed to driving innovation through mentorship, best practices, and data-driven decision making.

## TECHNICAL SKILLS

**Languages:** JavaScript (ES6+), TypeScript, HTML5, CSS3, SQL  
**Frontend Technologies:** React.js, Next.js, Redux Toolkit, TailwindCSS, Bootstrap, Responsive Design  
**Backend Technologies:** Node.js, Express.js, NestJS, MongoDB, PostgreSQL, Prisma, RESTful APIs  
**Tools & Platforms:** Git/GitHub, npm/yarn, Postman, VS Code, Chrome DevTools, Vercel  
**Methodologies:** Agile/Scrum, CI/CD, Test-Driven Development, Code Review, Performance Optimization

## PROFESSIONAL EXPERIENCE

**Team Leader & Front-End Developer** June 2024 – Present  
*Sky Info Group* Onsite, India

- Orchestrated cross-functional team of 6 developers in architecting enterprise-scale React.js applications, consistently achieving 95% client satisfaction and 100% sprint completion through effective agile practices
- Spearheaded mentorship initiatives in React.js, Redux Toolkit, and JavaScript best practices, driving 80% improvement in team development efficiency through comprehensive code reviews and technical documentation
- Architected and implemented CI/CD pipelines with automated testing, reducing production bugs by 40% and accelerating deployment cycles across multiple concurrent projects
- Partnered with product stakeholders to translate business requirements into technical roadmaps, delivering 25% improvement in project success rates and on-time deliveries

**Front-End Developer** July 2023 – April 2024  
*Skycomm Digital* Onsite, India

- Engineered responsive, mobile-first web applications using React, Redux Toolkit, and modern CSS frameworks for 10+ enterprise clients, resulting in 40% increase in user engagement metrics
- Optimized application performance through advanced techniques including code splitting, lazy loading, and bundle optimization, achieving 80% reduction in page load times and improving Core Web Vitals scores
- Integrated RESTful APIs with comprehensive error handling and retry mechanisms, reducing system downtime by 25% and ensuring robust user experience across edge cases
- Leveraged Chrome DevTools and React DevTools for systematic debugging and performance profiling, cutting issue resolution time by 30% and accelerating feature delivery timelines

## KEY PROJECTS

**Rankup Education Platform – NEET Exam Preparation System** *2024 Tech Stack: Next.js, Redux Toolkit, Node.js, NestJS, Prisma, PostgreSQL, TailwindCSS*

- Designed and implemented full-stack educational platform with Redux Toolkit for optimized API data fetching, caching strategies, and seamless global state management
- Achieved exceptional Lighthouse performance scores (Performance: 96+, Accessibility: 100, SEO: 100) through strategic code-splitting, image optimization, and progressive loading techniques
- Developed scalable backend architecture using NestJS and Prisma ORM, managing complex relational database structures and authentication workflows

**Skill Shikhar – Multi-Role Learning Management System** *2023 Tech Stack: JavaScript, Bootstrap, jQuery, Chart.js, HTML5, CSS3*

- Built comprehensive learning platform with role-based access control for users, affiliates, and administrators, featuring interactive dashboards with real-time data visualization
- Implemented responsive UI architecture delivering 35% improvement in cross-device user experience and 50% increase in overall platform engagement
- Collaborated directly with clients in agile sprints to gather requirements and deliver iterative improvements, achieving 30% growth in user retention and business visibility

## EDUCATION

---

**MERN Full Stack Web Development Certification**

*Sheryians Coding School*

*Intensive bootcamp specializing in React.js, Node.js, Express.js, MongoDB, and performance optimization. Successfully delivered 10+ production-ready applications including e-commerce platforms and social media dashboards.*

2022 – 2023

**Diploma in Computer Application (DCA)**

*Makhanlal Chaturvedi University*

2021 – 2022

*Bhopal, India*

**Bachelor of Arts**

*Maharaja Chhatrasal Bundelkhand University*

2019 – 2022

*Chhatarpur, India*
